It has often been pointed out that Jesus lived in a small country and never went beyond its borders. He was poor that He said He had nowhere to lay His head. His only pocketbook was the mouth of a fish. He rode on another man's beast. He cruised the lake in another man's boat. He was buried in another man's grave. And He had laid aside a royal robe for all this.

He never wrote a book. His recorded words would hardly make a pocket edition. Yet if all the words that have been written about Him were brought together, they would fill a thousand libraries.

Praise be to God and Father of our Lord Jesus Christ, who has blessed us in the heavenly realms with every spiritual blessing in Christ.
